Monk
Each night*, choose a player (not yourself): they are safe from the Demon tonight.

Gossip
Each day, you may make a public statement. Tonight, if it was true, a player dies.

BOOTLEGGER RULES

> *Loric: The Fate*
> *At the beginning of every night (or alternatively until a match is made), all players choose another player in an order chosen by the storyteller. The first two players who pick each other without previously being mad about picking each other create a match. Players do not learn that a match has been made. Every player may only match once.*
> *Matched players share their fate and die or resurrect together. A good player matched with an evil demon wins with the evil team.*
