TOWNSFOLK

Knight
You start knowing 2 players that are not the Demon.

Chef
You start knowing how many pairs of evil players there are.

Clockmaker
You start knowing how many steps from the Demon to its nearest Minion.

Shugenja
You start knowing if your closest evil player is clockwise or anti-clockwise. If equidistant, this info is arbitrary.

Pixie
You start knowing 1 in-play Townsfolk. If you were mad that you were this character, you gain their ability when they die.

Bounty Hunter
You start knowing 1 evil player. If the player you know dies, you learn another evil player tonight. [1 Townsfolk is evil]

High Priestess
Each night, learn which player the Storyteller believes you should talk to most.

Balloonist
Each night, you learn 1 player of each character type, until there are no more types to learn. [+1 Outsider]

Mathematician
Each night, you learn how many players' abilities worked abnormally (since dawn) due to another character's ability.

Town Crier
Each night*, you learn if a Minion nominated today.

Seamstress
Once per game, at night, choose 2 players (not yourself): you learn if they are the same alignment.

Philosopher
Once per game, at night, choose a good character: gain that ability. If this character is in play, they are drunk.

Fisherman
Once per game, during the day, visit the Storyteller for some advice to help you win.

OUTSIDER

Drunk
You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

Sweetheart
When you die, 1 player is drunk from now on.

Plague Doctor
When you die, the Storyteller gains a Minion ability.

Puzzlemaster
1 player is drunk, even if you die. If you guess (once) who it is, learn the Demon player, but guess wrong & get false info.

MINION

Witch
Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

Xaan
On night X, all Townsfolk are poisoned until dusk. [X Outsiders]

Organ Grinder
All players keep their eyes closed when voting and the vote tally is secret. Each night, choose if you are drunk until dusk.

Boffin
The Demon (even if drunk or poisoned) has a not-in-play good character's ability. You both know which.

DEMON

Shabaloth
Each night*, choose 2 players: they die. A dead player you chose last night might be regurgitated.

BOOTLEGGER RULES

> *Shabaloth always regurgitates one player they killed last night. The Shabaloth loses this ability if only 3 people are alive.*
> *Once per game, the Demon can choose themself as one of their two picks. If they were to die that night due to their own ability, they instead register as dead, and will register as alive starting the following night, as if they were regurgitated. The other person they chose last night doesn't get regurgitated.*
> *A sober and healthy regurgitated Shugenja learns the direction of the closest living evil player.*
> *A sober and healthy regurgitated Clockmaker learns how far the Demon (living or registering as dead) is from the closest living Minion.*
> *A sober and healthy regurgitated Chef learns the number of alive evil pairs.*

FABLED

Spirit of Ivory
There can't be more than 1 extra evil player.
