Uncertainty Principle v1.0.0 *by Mabel, Besjbo*

Djinn

TOWNSFOLK

Clockmaker
You start knowing how many steps from the Demon to its nearest Minion.

Pixie
You start knowing 1 in-play Townsfolk. If you were mad that you were this character, you gain their ability when they die.

Empath
Each night, you learn how many of your 2 alive neighbours are evil.

Mathematician
Each night, you learn how many players' abilities worked abnormally (since dawn) due to another character's ability.

Undertaker
Each night*, you learn which character died by execution today.

Gambler
Each night*, choose a player & guess their character: if you guess wrong, you die.

Monk
Each night*, choose a player (not yourself): they are safe from the Demon tonight.

Lycanthrope
Each night*, choose a living player: if good, they die, but they are the only player that can die tonight.

Gossip
Each day, you may make a public statement. Tonight, if it was true, a player dies.

Fool
The first time you die, you don't.

Tea Lady
If both your alive neighbours are good, they can't die.

Cannibal
You have the ability of the recently killed executee. If they are evil, you are poisoned until a good player dies by execution.

Atheist
The Storyteller can break the game rules & if executed, good wins, even if you are dead. [No evil characters]

Mayor
If only 3 players live & no execution occurs, your team wins. If you die at night, another player might die instead.

OUTSIDER

Puzzlemaster
1 player is drunk, even if you die. If you guess (once) who it is, learn the Demon player, but guess wrong & get false info.

Damsel
All Minions know you are in play. If a Minion publicly guesses you (once), your team loses.

Drunk
You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

Barber
If you died today or tonight, the Demon may choose 2 players (not another Demon) to swap characters.

MINION

Poisoner
Each night, choose a player: they are poisoned tonight and tomorrow day.

Devil's Advocate
Each night, choose a living player (different to last night): if executed tomorrow, they don't die.

Baron
There are extra Outsiders in play. [+2 Outsiders]

Mastermind
If the Demon dies by execution (ending the game), play for 1 more day. If a player is then executed, their team loses.

DEMON

Pukka
Each night, choose a player: they are poisoned. The previously poisoned player dies then becomes healthy.

Lleech
Each night*, choose a player: they die. You start by choosing an alive player: they are poisoned - you die if & only if they die.

Vortox
Each night*, choose a player: they die. Townsfolk abilities yield false info. Each day, if no-one is executed, evil wins.
